Online Advertising.

- Distribution of the budget to maximise goals of the advertising campaigns on Facebook, Instagram and Google.
- Proposing formats and channels for most efficient digital advertising, tracking conversion and analysing data, adjusting according to collected information.
- Quality targeting of audience (age, sex, location, interests) which allows us to truly offer clients' messages to those who will be interested in it.
- Complete analytical report at the end of each campaign with all key metrics, stats and numbers, as well as propositions for further action.

Client Experiences!

ASHA TANWAR

The strategies, the planning, the execution and the service makes them the best Digital Marketing Company. We're very happy with the services.

SHUBHAM JAIN

eDigitify is extremely professional in work and their work displays their creative abilities and great attention to detail. They have exceeded my expectations when come to their timely completion and delivery of the projects.

LAKKSHAY
CAR RENTALS

JOGINDER JAYANT

The Team was professional, exuberant, committed, poised, and challenge-oriented. They went the extra mile in designing, planning, and implementing our website.

ZISHAN WAZA

eDigitify has helped me get great visibility for my business. The ROI is surprisingly amazing. I would recommend eDigitify everywhere.

GOVIND KHURANA

Giving support where needed, giving the space to grow and celebrating small victories together are few of the star factors to work at eDigitify.

CHETAN BHATT

The best quality of eDigitify is listening before starting the work. They never over-commit. They commit what they can do and do what they commit.

Reach out to us!

We're here to partner with you on your digital journey, offering tailored solutions to meet your unique business needs. Let's collaborate and make your digital dreams a reality!
